

HORIZONS UNLIMITED presents
India Spell Bee Contest

Date: 29 & 30 January, 2011
Venue: St. Teresa's College, Ernakulam

English is a universal language. A command of the language can give an individual an edge over others in a competitive environment. A comprehensive knowledge of the language would mean the ability to spell English words accurately.

Spelling tests are a commonly used evaluation tool to assess a student's mastery over the words. India Spell Bee contest is aimed at developing the individual's ability to spell correctly and to foster a love for the correct spelling.

Horizons Unlimited has joined hands with India Spell Bee to conduct a spelling contest among the children of the schools in Kerala. India Spell Bee is recognized as the pioneer in conducting spelling contests in India. We plan to conduct Spell Bee contests across major cities in Kerala during the current year and also plan to conduct spelling workshops in schools to promote spelling events.

The event has The New Indian Express as the media partner and Tata Teleservices Ltd as a sponsor. The competition for school children in Ernakulam district will be held on the 29th & 30th of January, 2011 at the St. Teresa's College, Ernakulam.
